

# DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 1.

MARYVILLE, MISSOURI, SATURDAY, MAR. 11, 1911.

NO. 235.

## HOUSE CONCURRED

IN SENATE AMENDMENT FOR ADDITIONAL \$2,000.

## FOR NORMAL SCHOOL HERE

All That Remains is to Have Governor Hadley Sign It, Which He Will Do.

The following telegram was received Saturday morning by W. A. Blagg, president of the board of regents, from Representative Anderson Craig at Jefferson City:

"House concurred in senate amendment of additional \$2,000 for appropriation."

The senate passed the bill Thursday afternoon allowing the additional \$2,000 for the salary fund of the State Normal school here, and since the house has passed it, all that remains to be done is to get Governor Hadley to sign the bill, which it is practically certain he will do.

## COUNCIL ADOPTED SIDEWALK ORDINANCES

The city council meeting was held Friday evening, when two sidewalk ordinances were adopted. They were for Dewey street, on the East side, from Jenkins to Thompson street, and in front of the H. Murray property, on East Third street. Another ordinance adopted was ordering Ninth street to be opened. O. K. Herndon, president of the board, presided over the meeting during the absence of Mayor Robey, who is in St. Joseph.

### On Visit to Relatives.

Mrs. Hannah Garten of Kansas City, who has been visiting her sons, E. H. and G. P. Bainum, and Arthur and Shell Garten and their families, went to Pickering Saturday to visit another son, Stant Garten, and family. She was accompanied by her sister, Mrs. C. A. West of La Junta, Col., who is visiting her. The sisters had not met before this week in twenty-seven years. They will also visit a cousin, Rev. Phillip Jackson, at Bedford, Ia., before they return to Maryville.

### To Hold Quarterly Meeting.

Rev. S. P. Cresap, presiding elder of the St. Joseph M. E. church, South, district, spent Friday night in Maryville, the guest of Rev. W. J. Parvin. He went to Elmo Saturday morning to hold the regular quarterly meetings.

### Have Iowa Guests.

Mrs. J. F. Dowden, living north of the city, and her sister, Mrs. Anna Snyder, returned Saturday noon from a seven weeks' visit in St. Joseph with her son, Harry B. Snyder, and family. Mr. and Mrs. Snyder expect to visit relatives in Maryville next week.

## VISITED HEZ RASCO IN COUNTY JAIL

J. H. Rasco and son, Lee Rasco, were in the city Saturday to visit their son and brother, Hez Rasco, in the county jail here. Mr. Rasco has moved recently from near Guilford to near Barnard.

Mrs. J. F. Dowden, living north of Maryville, and Mrs. Will Stickle of Gaynor were in Maryville shopping Saturday. They were accompanied by their guests, Mrs. J. W. Swihart and son, George, of Baxter, Ia., and Mrs. F. C. Knight and son, Franklin, of Laurel, Ia. The four ladies are sisters.

Henry Wright of Parnell was in the city Saturday on business and visited his brother, U. S. Wright.

## SOLUTION OF PERMANGANATE OF POTASH

Dr. H. K. Taylor, president of the Normal, writes as follows:

"This is the season of the year when there is a tendency among children to sore throat, and when such diseases as scarlet fever, diphtheria and tonsillitis are prevalent. There is nothing of the kind in our school at present, nor do these diseases exist in the community so far as I have been able to learn, but it is better to take a precaution in time than to apply a remedy after taking the disease."

"I am sending you a simple solution of permanganate of potash, which is absolutely harmless. If you will follow the directions given below, I believe the use of this disinfectant may prevent the occurrence of these diseases."

"I assure you that my only motive in this matter is to be of service to you and your home, and I believe you will faithfully observe these instructions."

### Directions for Using the Fluid.

"For gargle—Take 1 teaspoonful of the fluid in the bottle and put in a tumbler of water. This may be used freely as a gargle, especially in the morning when the child rises."

"For bathing—Drop a tablespoonful of the fluid in the water in which the bath is to be taken."

"For a disinfectant—Take a tablespoonful of the fluid, put into a gallon of water and use this for sinks, closets, drain pipes and other places that may be a source of disease."

"For testing drinking water—Take a tumbler of water and drop into it 3 drops of the fluid from the bottle. If when this fluid is dropped into the tumbler of water the color disappears, the water is unfit for drinking purposes as it contains organic impurities."

"I shall be glad to supply you with more of the fluid if it is desired. Do not put the fluid in the bottle on porcelain surfaces or leave it in teacups, as it will leave a yellow stain. The fluid is absolutely harmless and odorless."

## DAIRY ABILITY INHERITED, NOT DEVELOPED

H. E. McNatt, a lecturer on dairy husbandry, who is traveling with the Burlington special, and who was in Maryville Wednesday, says that dairy ability is inherited and not developed by feeding.

"True, good feeding is necessary to bring out the best there is in a dairy cow," he asserts, "but the tendency to use food for milk and butter production is inherent. This tendency can be bred into cows by collecting naturally good ones and breeding to purebred, well pedigreed bulls. The calves from such intelligent mating stand a better chance of becoming good dairy cows than if their parents were poorly selected animals."

"Intelligent use of scales and Babcock test is necessary to locate the good cows in the herd. When they are located, then use high class, pure bred bulls for further improvement."

"Correct feeding of dairy cattle means feeding enough of the right kind of feed. A good milk flow cannot be maintained with timothy hay, corn stover and corn. One of the leguminous hays, such as clover, alfalfa or cowpeas, supplemented by good corn silage, makes a splendid combination of roughness. Add to this a grain of mixture of 300 pounds of corn meal and 100 pounds of cotton seed meal, and a good milk flow will be maintained through the winter months. This should be fed at the rate of one pound of grain to three pounds of milk produce."

### Has Week-End Guests.

Mrs. G. F. Woodard is entertaining Mrs. George Herndon of Colorado Springs, Col., and sister, Miss Gladys McKee, teacher of the Glendale school, near Pickering. The visitors arrived Friday evening. Mrs. Herndon is visiting her parents, Mr. and Mrs. John McKee at Parnell, and came to visit her sister at her school Friday morning and accompany her to Parnell Saturday evening for a Sunday visit at home.

### Left for Oklahoma.

Mr. and Mrs. Charles Wells, living southwest of Maryville, left Friday evening for Shawnee, Okla., to visit their son, Dr. Alfred Wells and family.

Miss Rose Ettington of Marysville, Kan., was in Maryville Friday. She is an experienced newspaper woman.

## SCHEDULE ADOPTED

MARYVILLE WILL PLAY 51 GAMES AT HOME.

## PROVIDES FOR 120 GAMES

Sunday Games Will Be Played at Maryville, But Are Not Shown on the Schedule.

A schedule was adopted at a meeting of the Mink league directors held at Nebraska City, Friday. W. J. Hutton represented the local club. The following are the dates that Maryville will play at home and the teams they will play with:

With Auburn—May 25, 26 and 27; July 10, 11 and 12, and August 21, 22 and 23.

With Nebraska City—June 15, 16 and 17; July 17, 18 and 19, and July 27, 28 and 29.

With Falls City—May 29, 30 and 31; July 3, 4 and 5; August 10, 11 and 12; August 31, September 1 and 2.

With Clarinda—June 12, 13 and 14; July 24, 25 and 26; August 14, 15 and 16; September 7, 8 and 9.

With Shenandoah—June 5, 6 and 7; June 22, 23 and 24; August 3, 4 and 5.

The schedule provides for 120 games and the season opens May 18. Maryville will play the opening game away from home. The season will close September 9, and Maryville will play the last game on this day at home with Clarinda.

No Sunday games were provided for in the schedule, but they will be played in the towns that can play Sunday ball. The repealing of the Sunday baseball law in Nebraska hasn't been finally acted on as yet, but President Carey of the league thinks that the law will be repealed and that Nebraska City, Falls City and Auburn can then play Sunday ball. If the law is repealed it will not go into effect until July 8, and during this time these towns can't play ball on Sunday.

Maryville will, however, play a number of Sunday games. For instance, when a team comes here the first or last part of the week a Sunday game will be played. All postponed games called on account of rain will also be played on Sunday.

No exhibition games with the other towns in the league can be played on that day, but an exhibition game with an outside team out of the league can be played. The games with the league teams will count in the percentage games.

W. J. Hutton acted as secretary at the meeting Friday in place of Secretary Fred Hull, who was unable to attend.

Cummings of Auburn, with a number of fans was late in getting to Nebraska City, arriving there about 2 o'clock in the afternoon. Before he arrived Hutton made a motion that a committee of three, composed of Cummings of Auburn, President Carey and Fred Hull meet in Maryville and adopt a schedule. The motion carried. But when Cummings arrived at the meeting he had prepared a schedule, which was adopted, and Hutton's motion was annulled.

Great interest was manifested in the meeting Friday, and the Mink league promises to have some good ball playing the coming year.

## CAPTIVATED HIGH SCHOOL ASSEMBLY

Rev. Dr. J. S. Ford, pastor of the First Methodist Episcopal church, addressed the high school students at assembly hour Friday morning and completely captivated them by the wit and humor that gave pith and point to a most excellent address to the young people. There is not a public speaker in our city that knows better how to approach a body of students than does Dr. Ford, for he was a leading educator in the state of Kansas before he entered the ministry.

### Trimmer for Parisian.

Miss Gertrude Selders of Columbia, Mo., will arrive in Maryville Sunday to begin her work as head trimmer for the Parisian millinery store.

### To See "Ben Hur."

Mrs. F. P. Robinson and daughters, Mildred and Virginia, and Miss Ruth Reuillard and Miss Nelle Hudson and Miss Alice Orcutt went to St. Joseph Saturday morning to spend the day and will witness the production of "Ben Hur" Saturday night.

## WESLEYAN TEAM WON BY SCORE OF 36 TO 7

The Missouri Wesleyan girls were too much for the Normals Friday night. They played a very pretty game, and took away the large end of a 36 to 7 score. Wesleyan's team work was excellent, and their two forwards, Elwood and Stout, threw goals with apparently as much ease as any player who has ever been on the Normal court. Yesterday's game was only the second one which the Wesleyan team has played this year. However, they have had continual practice with a second team almost as strong as themselves an advantage that the Normal girls have never had. In the last half of the second half of the game the Normal team got down to business and played a strong game. The work of Hise and Partridge in guarding the Wesleyan forwards was the feature of this part of the game. Palmer scored all of the points for the Normal. The line-up was:

Normal—Palmer and Head, forwards; Enslow and Cox, j. centers; Cox and Taylor, b. centers; Hise and Partridge, guards.

Wesleyan—Elwood and Stout, forwards; R. Sidebottom, j. center; Burris, b. center; L. Sidebottom and Thompson, guards; Wyckoff, sub.

Baskets—Palmer 2, Elwood 9, Stout 8.

Free throws—Palmer 3, Elwood, Stout.

Referee—Beadle.

Umpire—Moore.

Halves—Fifteen minutes.

## WRESTLING MATCH WON BY CAMPBELL

A wrestling match was held at Burlington Junction Friday, being well attended. The contestants were Steve Viles of Maryville and Campbell of the Junction. Viles won the first fall in 11 minutes, and Campbell the second and third in 9 and 10 respectively. The contest was evenly matched.

## The Churches

**First Methodist Episcopal Church.**  
Dr. J. S. Ford, pastor. Preaching tomorrow morning and evening by the pastor. Sunday school at 9:30. W. F. Smith, superintendent. Tomorrow is Parents' Day. It is hoped that just as many of the parents as possible can come will be present. The Sunday school is now held in the auditorium.

## CARTER IN TEXAS

TRAINS CARRYING TROOPS ARRIVE AT SAN ANTONIO.

## GEN. WOOD TO GO SOUTH

Chief of Staff Will Make Trip of Inspection—Navy Carrying Out Its Part of Operation.

Washington, March 11.—Major General William H. Carter, commander of the division which is concentrating at San Antonio, arrived at the Texas post today. Reports to the war department indicate that nearly all the troops which will form the division have reported.

A city of tents has sprung up during the day. The camp is on a gentle slope of the prairie, offering perfect drainage. Colonel Clem, quartermaster general of the department of Texas, has been ordered to secure provisions for four months for 10,000 men.

Major General Leonard Wood it was announced at the war department, probably will go to the border in April. The purpose of his trip will be to inspect the camp and commands along the frontier.

The navy is carrying out its part of the operations just as if the sudden and extensive preparation of war vessels for active duty was a part of everyday life. Three ships of the Fifth division of the Atlantic fleet are now en route to Guantanamo, Cuba.

The armored cruiser Washington, the remaining unit of the division which is undergoing repairs at the Portsmouth (N. H.) navy yard, will be ready for duty on March 15, when it will be sent to join its division.

The admissions in administration circles that the military activity is inspired by conditions in Mexico were read with deep interest by officers of the army and navy, a majority of whom had accepted the earlier explanation that the operations were merely technical exercise and drills in the art of warfare.

## JAPAN NOT AFTER NAVAL BASE

Baron Uchida Denies Report of Secret Treaty With Mexico.

Washington, March 11.—Japan has never made the slightest effort to obtain from Mexico any concession for a coaling station for naval uses at Magdalena bay, or All Saints' bay, or on any point of the Pacific coast.

This was the emphatic declaration of Baron Uchida, Japanese ambassador to Washington, when his attention was called to published statements that through secret treaties or other arrangements with President Diaz' government Japan either had acquired or was about to acquire a coaling station or naval base on this side.

Alluding to the fact that a new line of Japanese steamers was to ply between some Mexican ports on the north and Peru on the south, the ambassador said that if this company has made any arrangements for taking on coal for its vessels in Mexican territory, which naturally would be necessary, of course, such an arrangement was on a purely business basis and was such as is entered into by all commercial lines of maritime nations.

## WILL TELL THE SECRET OF COLUMBIA'S GROWTH

William Hirth, publisher of the Columbia Statesman and a large agricultural paper, was in Maryville Friday in the interest of his publications. He is one of the aggressive citizens of his town and is enthusiastic over the remarkable growth of Columbia. A few years ago Columbia was one of the deadest towns in Missouri. Finally she awoke from her lethargy and began to reach out for new enterprises. They now have a number of important industries, among which is a shoe factory employing six or seven hundred people. They expect another railroad soon, and Mr. Hirth confidently expects to see a population of 25,000 in Columbia within the next few years. They expect it because they are determined to have it. Mr. Hirth will be in Maryville again next week, and has consented to address the meeting of the Commercial club and explain to the members how they are doing things in Columbia.

## COURT INSPECTED COUNTY POOR FARM

The county court made a trip to the county poor farm Saturday morning for inspection. They found the farm in good condition, and that the institution was running nicely. The court will adjourn late this afternoon.

## LAST GAME OF SEASON THIS EVENING

The State Normal basket ball team will meet Platt's Business college team of St. Joseph Saturday night at the Normal gymnasium in the last game of the local season.

The game will begin promptly at 8 o'clock. The St. Joseph team will arrive on the Wabash at 7:11.

This promises to be a close game as the Platt's tied with the Benton high school team on its own floor recently. The game tonight at the Normal will be preceded by a game at 7:30 between the Maryville Business college and high school teams.

### Attended "Ben Hur" Play.

Miss Inez Bainum, a teacher in the Skidmore public schools, arrived in Maryville Saturday noon from St. Joseph, where she witnessed "Ben Hur" Friday night. Miss Bainum will visit her parents, Mr. and Mrs. G. P. Bainum, over Sunday.

### On Visit to Sick Sister.

Edward L. and James C. Ferritor of this city and their sister, Mrs. Gus Enis of Clyde, went to Omaha Saturday morning to visit their sister, Miss Josie Ferritor, who is a patient in the Franciscan hospital of that city. Her condition is very serious and she will be taken to Colorado Springs Sunday morning for the benefit of her health.

### Go to St. Louis.

H. L. Raines leaves tonight for St. Louis to attend the executive meeting of the officers of the State Jewelers' association. Mr. Raines is secretary of the association.

### Will Visit Honolulu.

Mr. and Mrs. A. T. Clark of the Ream hotel received a letter from their daughter, Mrs. Harry Reed of Los Angeles, Cal., announcing that she and her husband will soon leave for a three months' trip to Honolulu and Japan. On their return they will visit Mrs. Reed's parents in this city.

## ACCOMMODATIONS ASKED FOR DENTISTS

About fifty or sixty dentists will be in the city Monday and Tuesday nights to attend the meeting of the Northwest Missouri District Dental society. The local dentists would like very much for those who can take roomers or boarders, to accommodate these visitors. If you can accommodate them telephone to Dr. H. L. Stinson or Dr. Jesse Miller, giving the number you can accommodate.

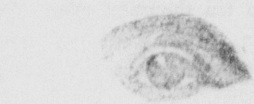

### Left for Minneapolis.

Miss Eva Sprecher left Saturday noon for Minneapolis, Minn., for a several weeks' visit at the home of her brother, Frank Sprecher, who is the general manager for the United States Fidelity and Guarantee company at that place. Mr. Sprecher is another former Maryville boy making good.

Miss Soga Thummel of Parnell, a State Normal student, went to St. Joseph Friday evening to visit Mrs. B. H. Sanders, on King Hill. They attended "Ben Hur" Friday night.

## The Weather

Unsettled weather with rain tonight or Sunday; colder.

We are authorized to announce Prof. W. M. Oakerson as a candidate for county superintendent of schools of Nodaway county, subject to the decision of the voters at the coming school election, to be held Tuesday, April 4.

## A BAD DISCARD.

By its action in the last congress in repudiating the doctrine of reciprocity and forcing the President to call an extra session, the Republican leaders in the Senate have discarded the only good card in their hand. Ever since James G. Blaine and his far sighted associates secured the adoption of the reciprocity idea as a saving clause in the waning fortunes of the grand old party it has been repeatedly used with telling effect.

But the all-powerful wing of the party has abandoned it. It ceases to be the adopted child of the party and cannot longer be regarded as the harbinger of hope and promise to those who cannot swallow ultra protection and trust domination without a sugar coating.

The reciprocity idea has been a delightful cloak to cover the sins of protection, and the wonder is that it was not chloroformed with more respect and gratitude for its past good services. Mr. Taft is trying to save it, but he can only save it to himself and to the next Congress. It has ceased to be a Republican doctrine.

The next census should put Maryville in the ten thousand class. We are all here for the same purpose. Let's all pull together for a greater Maryville.

It is said that Senator Lorimer's first action in the new Congress will be to oppose the confirmation of Secretary Ballinger's successor. It looks like Mr. Lorimer's senatorial career will not be a disappointment to his critics.

A Texas legislator wants to enact a law prohibiting a saloon within ten miles of a school house. This would close half the schools in the state.

## Will Sunday at Savannah.

Miss Fannie Hope of the training school department of the State Normal, went to St. Joseph Friday evening to see "Ben Hur." She will spend Saturday and Sunday in Savannah as the guest of Mr. and Mrs. W. G. Hine.

# SUNNY MONDAY

You don't have to boil the clothes when you use Sunny Monday laundry soap. Hard water, soft water, cold water, hot water—all look alike to Sunny Monday, and it does its work equally well with any one of them.

Sunny Monday is white and contains no rosin, but, instead, a marvelous dirt-starter which saves time, and wear and tear on clothes.

## To Hold Court and to Give Dance.

The March term of the Elks kangaroo court will convene next Wednesday evening at 7:30 o'clock, with Judge Thomas A. Cummins on the bench. A number of minor cases are to be disposed of, but the important case will be that of the Elks' club against Will F. Phares, Will J. Montgomery and Edward W. Keck on a charge of unpoliteness and conduct unbecoming Elks. The defendants have employed Shinabargar, Blagg & Ellison. The prosecutors will be Fred P. Robinson and Edward E. Williams. The case will be hotly contested. After court has adjourned light refreshments will be served and a dance will follow. The ladies are cordially invited to attend and special preparations are being made to make this a special feature night for them.

## Wedding Anniversary.

On Friday, March 10, a number of the neighbors and relatives of Mr. and Mrs. Charles M. Shopbell, who live four miles east of Pickering, gathered to celebrate with them their twentieth wedding anniversary. Mr. and Mrs. Shopbell had not been apprised of their coming, so were somewhat surprised to see so many visitors coming at once. They surrendered very gracefully, however, and made all feel welcome in their usual happy way. At noon tables were spread in the dining room and loaded down with the many good things prepared by the ladies of the party, and all did justice to the feast. The afternoon was spent in a social way, and the day was far spent when the company dispersed, leaving several presents as tokens of the esteem in which they hold the Shopbell family. Those present were Mrs. J. H. Davis and Mrs. Verne Dickson and daughter of Maryville, Mr. and Mrs. W. H. Shopbell, Mr. and Mrs. Frank Johnson, Mr. and Mrs. Asa Wagner, Mr. and Mrs. C. M. Copeland and family, Mr. and Mrs. A. S. Byerrum and family, Mr. and Mrs. J. E. Koger and family, Mr. and Mrs. Harvey Wing and family, Mr. and Mrs. Howard Miller, Mr. and Mrs. L. A. Pistole, Mr. and Mrs. W. F. Lett and family, Mr. S. M. Lincoln and daughter, Miss Grace; Mrs. Marietta Pistole, Mrs. H. C. Greenlee, O. G. Null and Hugh Johnson.

## Dinner Guests.

Messrs. Leibert and Hosick Holmes were hosts to Messrs. Ed Martin, John Mutz, Fred Lewis and Herschel Colbert at dinner Friday evening.

## Gave Six O'Clock Dinner.

Mrs. B. F. Craig and her daughter, Miss Antoinette Craig, entertained at dinner Friday evening Mr. and Mrs. Clark Andrews, Professor C. A. Hawkins, Mr. and Mrs. Fred Kurtz, Miss Calla Varner and Miss Lillian Lindholm.

## Graham Dinner Guests.

Mrs. R. B. Gex and daughter, Mrs. William V. Mountjoy of Graham were Friday dinner guests of Mr. and Mrs. J. R. Brink.

## For Son and His Wife.

Mr. and Mrs. John A. Wallace entertained their children at dinner Friday in honor of their son, Omar Wallace, and his wife, of Clarinda, Ia., who are their guests. The dinner company included the host and hostess, Mr. and Mrs. Omar Wallace, Mr. and Mrs. W. A. Thornhill, Mr. and Mrs. W. G. A. Edwards and little daughter, Augusta, and Miss Blanche Wallace.

## Farewell Dinner.

Mr. and Mrs. J. F. Roelofson of South Main street gave a dinner Thursday for their guests, Mr. and Mrs. B. O. Boyer and little son, Forrest Major, and Mrs. J. S. Angell, who have been living near Hopkins, and left Friday morning for their new home in Artesia, N. M., near where they will live on a ranch. Mr. Angell preceded them with the household goods. Aside from the honor guests those present were Misses Litta and Golda Roelofson, Charles Gallagher, Frank and Harold Roelofson, and the host and hostess.

## Funeral at St. Mary's.

The 4-months-old child of Mr. and Mrs. Samuel Yager, living west of Maryville, died Saturday morning. The funeral services will be held at 10 o'clock Sunday morning at St. Mary's Catholic church, conducted by Rev. Fr. Anselm.

## Mrs. Bannum Hostess.

"Mission Work in Africa" was the topic under discussion at the meeting of the Woman's Missionary society of the First Presbyterian church Thursday afternoon at the home of Mrs. E. H. Bannum on West Third street. Devotions were led by Mrs. W. J. Staples and Mrs. A. Dusenberry. A paper, "A Life for Africa," was read by Mrs. J. A. Ford. The pastor, Dr. Charles P. Luce, was present and gave an interesting talk. During the social hour the hostess was assisted in serving by Mrs. W. H. Brown, Mrs. S. O. Hutchison and Mrs. W. J. Staples.

## Ill of Pneumonia.

Mrs. John Moore of South Main street is very ill of pneumonia. She is cared for by a trained nurse.

Mr. and Mrs. R. B. Bralsey and son, Charles, of Plattsmouth, Neb., were in the city on business Saturday. Mr. Bralsey is a freight agent for the Burlington.

Mr. and Mrs. R. E. Snodgrass went to Hopkins Saturday to visit over Sunday with relatives.

## \$3.50 RECIPE CURES

## WEAK KIDNEYS FREE.

**Stops Pain in the Bladder, Kidneys  
Relieves Urinary and Kidney Trou-  
bles, Backache, Straining,  
Swelling, Etc.  
and Back.**

Wouldn't it be nice within a week or so to begin to say good-bye forever to the scalding, dribbling, straining, or too frequent passage of urine; the forehead and the back-of-the-head aches; the stitches and pains in the back; the growing muscle weakness; spots before the eyes; yellow skin; luggish bowels; swollen eyelids or ankles; leg cramps; unnatural short breath; sleeplessness and the dependency?

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$3.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, K1153 Luck building, Detroit Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure harmless remedies, but it has great healing and pain-conquering power.

It will quickly show its power once you use it, so I think you had better see what it is without delay—you can use it and cure yourself at home.

## Township Convention.

Notice is hereby given to the Democrats of Polk township that a mass meeting will be held in the court house at 2 p. m., Saturday, March 25. The meeting will be held for the purpose of nominating candidates for the various township officers for the election to be held on Tuesday, March 28.

**AN EASY AND HARMLESS WAY  
TO DARKEN THE HAIR**

Who does not know of the value of sage and sulphur for keeping the hair dark soft glossy and in good condition? As a matter of fact, sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no better remedy for hair and scalp troubles, especially premature grayness, than sage and sulphur, if properly prepared. The Wyeth Chemical Company of New York put up an ideal remedy of this kind called Wyeth's Sage and Sulphur Hair Remedy and authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

An event of unusual interest, not only to the farmers of our county but to the people generally, are the coming lectures by the experts of the College of Agriculture, University of Missouri, and of the State Board of Agriculture.

The Democrat-Forum is informed that the Wabash special train, carrying the experts and their exhibits, will arrive at Maryville at 7:00 P. M. Thursday, March 23. The lectures will be delivered in the Court House and everybody is cordially invited to attend.

The lectures will include such interesting subjects as "Better Farm Methods," "Modern Dairying," "Spraying," "Horticultural Work," "Soil Improvement," "Better Live Stock," etc.—every subject of great interest.

An especially attractive feature of the exhibits carried on the special train will be "Missouri Chief Josephine," the world's champion cow, which as some of us know, was born and raised on the Missouri Agricultural Farm. She offers wonderful evidence of the real dollars and cents value of farm methods as practiced at the College of Agriculture, and about which we are to hear at the lectures. There will also be shown some other thoroughbred stock owned by the College of Agriculture. This is some of the best stock ever produced in Missouri, or any other state, and will undoubtedly be interesting to see.

● The Democrat-Forum sincerely believes that these lectures will be of great interest and real practical help to everyone who hears them.

## IMPROVEMENT SEEN IN TRADE

Presence of Buyers in Principal Markets Tends to That End.

## CONSERVATISM STILL EVIDENT

Incidentally the Progress Imparts More Zest to Retail Trade—Collections Range From Fair to Slow Business Failures for Week 230.

New York, March 11.—Bradstreet's says: The presence of buyers in the principal markets has tended to produce moderate improvement in house trade and early farm work is progressing under favorable conditions, while fall sown grain appears in good shape. Incidentally the progress has imparted a little most zest to retail trade. Yet conservatism is every where visible, buyers, especially of textiles and clothing, are purchasing cautiously and mill owners are selling goods made up from high priced materials at small profit.

A policy of small lot buying appears to be favored by most purchasers and the efforts of the larger purveyors to force sales met with little response. The coming session of congress, at which tariff schedules may be treated together with the probability of action on the Canadian reciprocity, tends to produce conservatism.

Though building should pick up somewhat, the figures of permits and estimated expenditures show that extension work is not so active as last year. Demand for footwear is satisfactory in the west, but in the east it is backward. Special machinery is in light request and there are reports of considerable idleness at some cities skilled mechanics, as well as common laborers, being affected.

Collections range from about fair to slow.

Failures for the week were 230. Wheat exports for the week aggregate 2,248,872 bushels. Corn exports for the week are 2,354,605 bushels.

## CROWD AT MELBER TRIAL

Women Crushed and Clothing Torn Till Police Restore Order.

Albany, N. Y., March 11.—While a crowded court room listened, Mrs. Edith Melber sat apparently unmoved as Chief of Police Quagley of Rochester told how the accused woman had confessed to killing her five-year-old child by pouring carbolic acid down his throat. Gazing steadily at the officer, Mrs. Melber exhibited less concern than many of the other women present.

So great was the crowd and so intense the eagerness to get inside the court room when the afternoon session convened that the disorder necessitated a call for police. Women were crushed and jammed, clothes were torn and pandemonium prevailed for nearly fifteen minutes.

## OBJECT TO POWDER PLANT

Residents of Pleasant Prairie Want Danger Eliminated.

Pleasant Prairie, Wis., March 11.—With the vicinity of the wrecked Du Pont powder mill a waste of dismantled homes, the first action of the residents was toward elimination of the menace of powder works from the county. Indignation meetings were held at which this demand was voiced. The effort is to be pushed in the present session of the legislature.

Fragments of the body of F. S. Thompson, the one man killed in the explosion, were found in a pond a half mile from the glaze mill where he met death. The financial loss to the company is \$500,000, but the total loss due to the explosion is too widely distributed to be estimated.
